## **VOLUNTARY CODE OF ETHICS FOR HIGHLAND DANCING from the SCOTTISH OFFICIAL BOARD OF HIGHLAND DANCING**

In this Code "Participants" shall mean dancers, and parents

### **GENERAL BEHAVIOUR**

Participants will display honesty, fairness and equality of opportunity in all relationships.

Participants will not engage in behaviour which undermines the status and esteem of Highland Dancing.

Participants will maintain a high standard of personal behaviour with respect of dress, punctuality, preparation and contact with over participants.

Participants will recognise the authority of judges and other officials and treat them with courtesy.

Participants will treat all other participants with respect, whether successful in competition or not.

Participants will not discriminate between other participants on the grounds of sex, ethnic background, religion or ability.

Dancers will not be exposed to adverse public criticism.

Participants should respect the competence of teachers and judges and should not engage in public criticism.

### **WELL BEING OF DANCERS**

Participants will seek to ensure the well-being of the dancer at all times.

In particular, teachers will provide planned programmes of preparation and competition for all dancers. Their implementation will recognise the safety and well-being of the dancer and participants will recognise that the health of the dancer is always more important than competition results.

Dancers should be encouraged to treat other dancers with respect, whether successful in competition or not and to honour the rules of the competition.
